

AS20

Active SAT devices

SAT line amplifier

Technical Chars

- They allow the **passage of tele-power**.
- Works on frequencies between 900 and 2150.
- Gain with tilt to compensate for loss typical of coaxial cables.
- Die-cast aluminum mechanics and female F-type connectors.

AS20		
Code		284013
Bandwidth	MHz	950 - 2150
Gain	dB	12-17 (sloped)
Optical noise figure	dB	8
Connector		F Female
Dimensions and packaging		
Pieces		1
EAN code		8016978002542
Product dimensions	mm	1 x 1.5 x 70
