

RKM20U66DCPRO

Rack PRO

The 12U Rack from the PRO range is designed to simplify cabling in offices, small businesses, and homes without compromising on aesthetics and flexibility.

Thanks to the pre-installable bracket and reversible front door, the installer is assisted in the system reorganization phase.

Technical Chars

- Steel structure
- Depth-adjustable uprights
- Reversible tempered glass front door
- Removable side panels
- Prepared for the installation of a ventilation kit
- Pre-cut on 3 sides for cable passage (top, rear, and bottom)
- Wall mounting bracket included as standard
- Screws and cage nuts supplied
- Grounding kit supplied as standard
