

## SEL-WL

## Outdoor sirens

Wireless, bi-directional outdoor siren with digital technology. Siren compatible with Defender HYBRID wireless system or installed in wired systems with MOD-WL16 interface. Easy installation with built-in bubble level. SEL-WL is equipped with high-visibility LED flash. The siren is guaranteed by anti-opening and anti-tear protection.

## Technical Chars

- Acoustic intensity 120 dB at 1 meter
- Protection against cover opening and tearing from the wall
- Radio range up to 300 m in free air
- Signal LEDs for range tests, alarms and diagnostics.
- Alkaline batteries included
